Personalization: NO MONOGRAM

Thank you for your message!

I'd like to clarify that monogramming is available only for selected items. On each product page, you can check under the Personalization section whether a monogram can be applied.

For the item you have selected, traditional monogramming (clear/gold/silver/black) is unfortunately not possible. We can, however, offer laser engraving as a personalization option, which creates a natural greyish tone on the leather.

I've attached examples of our laser engraving for your reference.

Please let me know if you would like to proceed with the laser engraving option, and I'll ensure everything is arranged accordingly.

Vielen Dank für Ihre Nachricht!

Ich möchte klarstellen, dass Monogramme nur für ausgewählte Artikel verfügbar sind. Auf jeder Produktseite können Sie im Abschnitt Personalisierung nachsehen, ob ein Monogramm möglich ist.

Für den von Ihnen ausgewählten Artikel ist leider keine traditionelle Monogrammierung (klar/gold/silber/schwarz) möglich. Wir können jedoch Lasergravur als Personalisierungsoption anbieten, die eine natürliche grau-braune Tönung auf dem Leder erzeugt.

Zur Veranschaulichung habe ich Beispiele unserer Lasergravur dieser E-Mail beigefügt.

Bitte teilen Sie mir mit, ob Sie mit der Lasergravur fortfahren möchten, und ich werde alles entsprechend für Sie arrangieren.

Grazie per il tuo messaggio!

Vorrei chiarire che la personalizzazione con monogramma è disponibile solo per alcuni articoli selezionati. Su ogni pagina prodotto, puoi controllare nella sezione Personalizzazione se è possibile applicare un monogramma.

Per l'articolo da te selezionato, purtroppo non è possibile la personalizzazione tradizionale (chiaro/oro/argento/nero). Possiamo però offrire la personalizzazione tramite incisione laser, che crea una tonalità naturale grigio-marrone sulla pelle.

Ho allegato a questa email alcuni esempi delle nostre incisioni laser come riferimento.

Ti prego di farmi sapere se desideri procedere con l'opzione di incisione laser, così potrò organizzare tutto di conseguenza.

Bedankt voor uw bestelling!

Omdat uw artikel een lasergravure bevat, vragen wij u vriendelijk om de exacte tekst door te geven die gegraveerd moet worden.

Kies daarnaast uw voorkeurslettertype uit de opties in de bijgevoegde afbeelding en laat ons weten waar de gravure geplaatst moet worden. We hebben ook voorbeelden bijgevoegd van hoe de gravure op het leer eruitziet om u te helpen bij uw keuze.

Zodra we uw voorkeuren hebben ontvangen, zullen we doorgaan met de voorbereiding van uw gepersonaliseerde artikel.

We kijken uit naar uw reactie!

Om een personalisatie aan uw bestelling toe te voegen, voert u eenvoudig de tekst in die u wilt laten graveren, evenals de gewenste plaatsing, in het veld "Speciale instructies" op de winkelwagenpagina. Voor uw gemak hebben we een screenshot bijgevoegd die precies laat zien waar u deze informatie kunt invoeren.

U kunt kiezen uit de volgende lettertypen:

Georgia regular / ENGRAVERS MT / *Monotype Corsiva*

Personalisatie is gratis, er zijn dus geen extra kosten!

NL: Personalization: NO MONOGRAM

Bedankt voor uw bericht!

Ik wil graag verduidelijken dat monogrammen alleen beschikbaar zijn voor geselecteerde artikelen. Op elke productpagina kunt u in de sectie Personalisatie controleren of een monogram mogelijk is.

Voor het door u geselecteerde artikel is traditionele personalisatie (transparant/goud/zilver/zwart) helaas niet mogelijk. We kunnen echter lasergravure aanbieden als personalisatieoptie, wat een natuurlijke grijsachtige tint op het leer creëert.

Ik heb enkele voorbeelden van onze lasergravures bij deze e-mail gevoegd ter referentie.

Laat alstublieft weten of u wilt doorgaan met de optie voor lasergravure, dan zorg ik ervoor dat alles hiervoor geregeld wordt.

Bedankt dat u contact met ons heeft opgenomen.

We willen u informeren dat het niet mogelijk is om het Time Resistance-logo van onze producten te verwijderen of te wijzigen. Ons logo is een essentieel onderdeel van onze merkidentiteit en wordt zorgvuldig op elk item geplaatst om het ontwerp te complementeren zonder opdringerig te zijn.

Hoewel het logo vast blijft, bieden wij extra personalisatie-opties aan, zoals monogrammen of gravures, die aan uw product kunnen worden toegevoegd volgens uw voorkeur.

Als u vragen heeft of de personalisatie-opties wilt bekijken, laat het ons dan gerust weten. We helpen u graag!

Hallo,

Bedankt voor uw bestelling!

Wij hebben een voorstel voor de gravure voorbereid ter beoordeling, dat u als bijlage bij deze e-mail vindt. Laat ons alstublieft weten of er aanpassingen nodig zijn. Als alles naar wens is, zullen wij overgaan tot de gravure en vervolgens uw bestelling verzenden.

Houd er rekening mee dat lasergravure een **natuurlijke grijze kleur** op het leer geeft.

Wij zien uw bevestiging met belangstelling tegemoet!

Tack för ditt meddelande!

Jag vill förtydliga att monogram endast är tillgängliga för utvalda produkter. På varje produktsida kan du under avsnittet Personalisering se om ett monogram kan appliceras.

För den produkt du har valt är tyvärr traditionell monogrammering (klar/guld/silver/svart) inte möjlig. Vi kan däremot erbjuda lasergravyr som en personaliseringsmöjlighet, vilket ger en naturlig gråaktig ton på lädret.

Jag har bifogat exempel på våra lasergravyrer i detta mejl som referens.

Vänligen meddela mig om du vill gå vidare med lasergravyralternativet, så ser jag till att allt ordnas på rätt sätt.

Repair: PROPHET HANDLE ISSUE

Thank you for your message, and I apologize for the inconvenience you've experienced with your briefcase.

Here is a method that should help secure the pin in place:

- Using tongs or pliers, slightly deform one of the thicker sides of the long pin — think of shaping it like the end of a chewed pencil.
- Once deformed, carefully push or gently tap the pin into the main hardware piece using slight force or a small hammer.

This should hold the pin securely in place. Please let me know if this solution works for you.

General Questions: LEATHER SCENT

Thank you for reaching out to us.

I want to assure you that the scent you're experiencing will naturally diminish over time. It's important to note that our bags are made from vegetable-tanned leather, a process that uses natural tannins instead of toxic chemicals like chromium, which is commonly used in the tanning of leather (found in

around 90% of leather worldwide). This natural method is much more expensive, and as a result, only a small percentage of leather is tanned this way. This unique process may be the reason why the scent is different from what you may be used to.

Please let me know if this explanation helps or if you have any further concerns. I'm happy to assist you further!
